

Recruitment
for banking and consulting industry

We find your financial specialist

bankingexperts

Banking Experts. Unique expertise

Our focus

Banking Experts is focused on credit institutions and consulting companies which are focused on the banking industry.

We recruit freelancers and permanent employees.

Our USP

Our expertise stems from our origin – we are **Bankers for Bankers**. Our employees have experiences for many years in the banking and consulting industry.

Our Experience

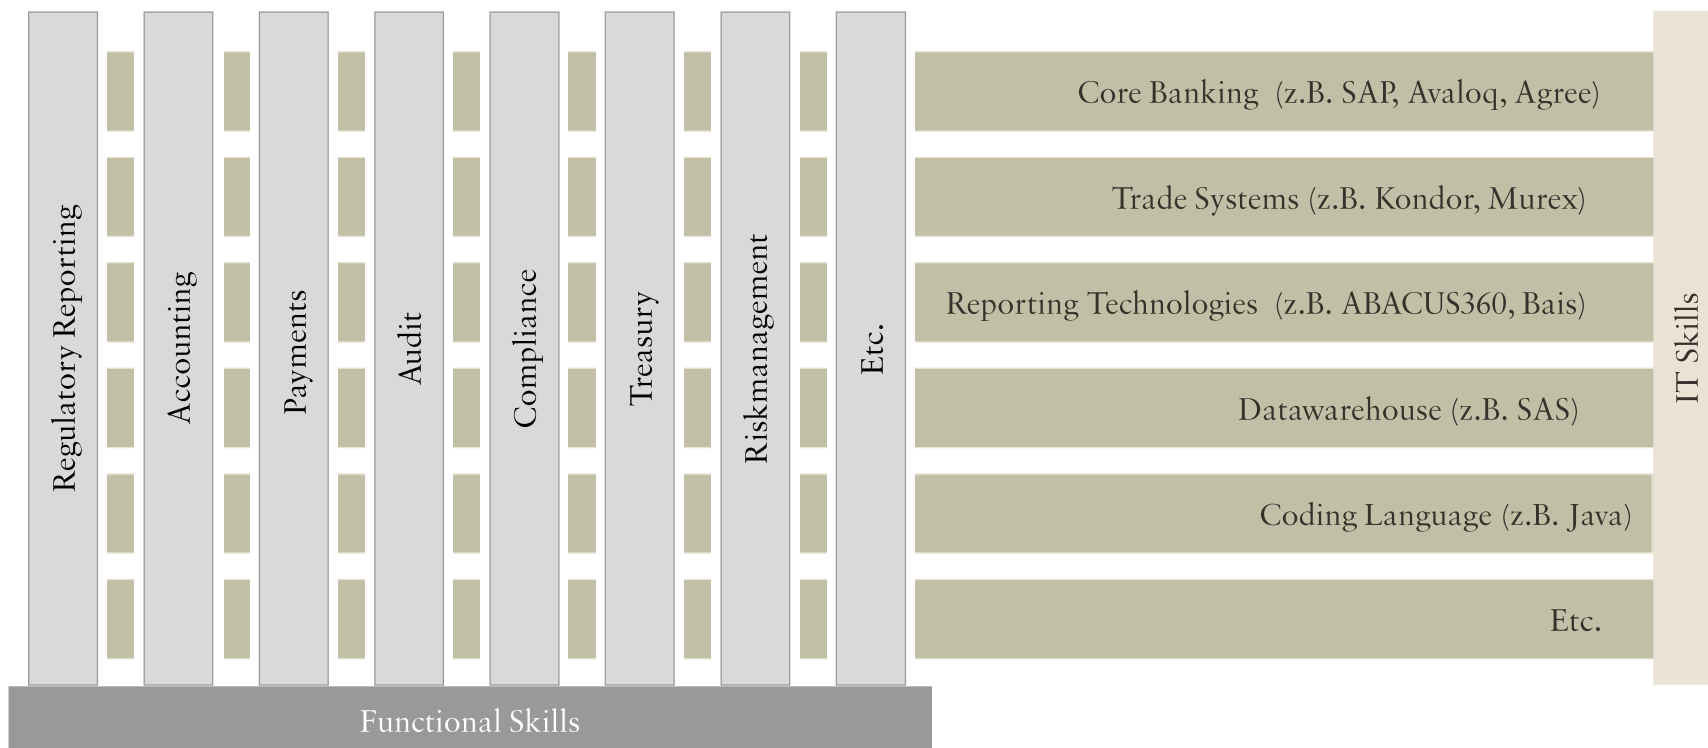

Since **1992** we are working successfully in the banking- und consulting industry. **Implementation- und consulting experience** guarantees maximum commitment and passion.

Our Services

We support our clients at all steps in the process, from defining the requirements profiles or identifying and approaching promising candidates to selecting the right people with a sound diagnostic basis.

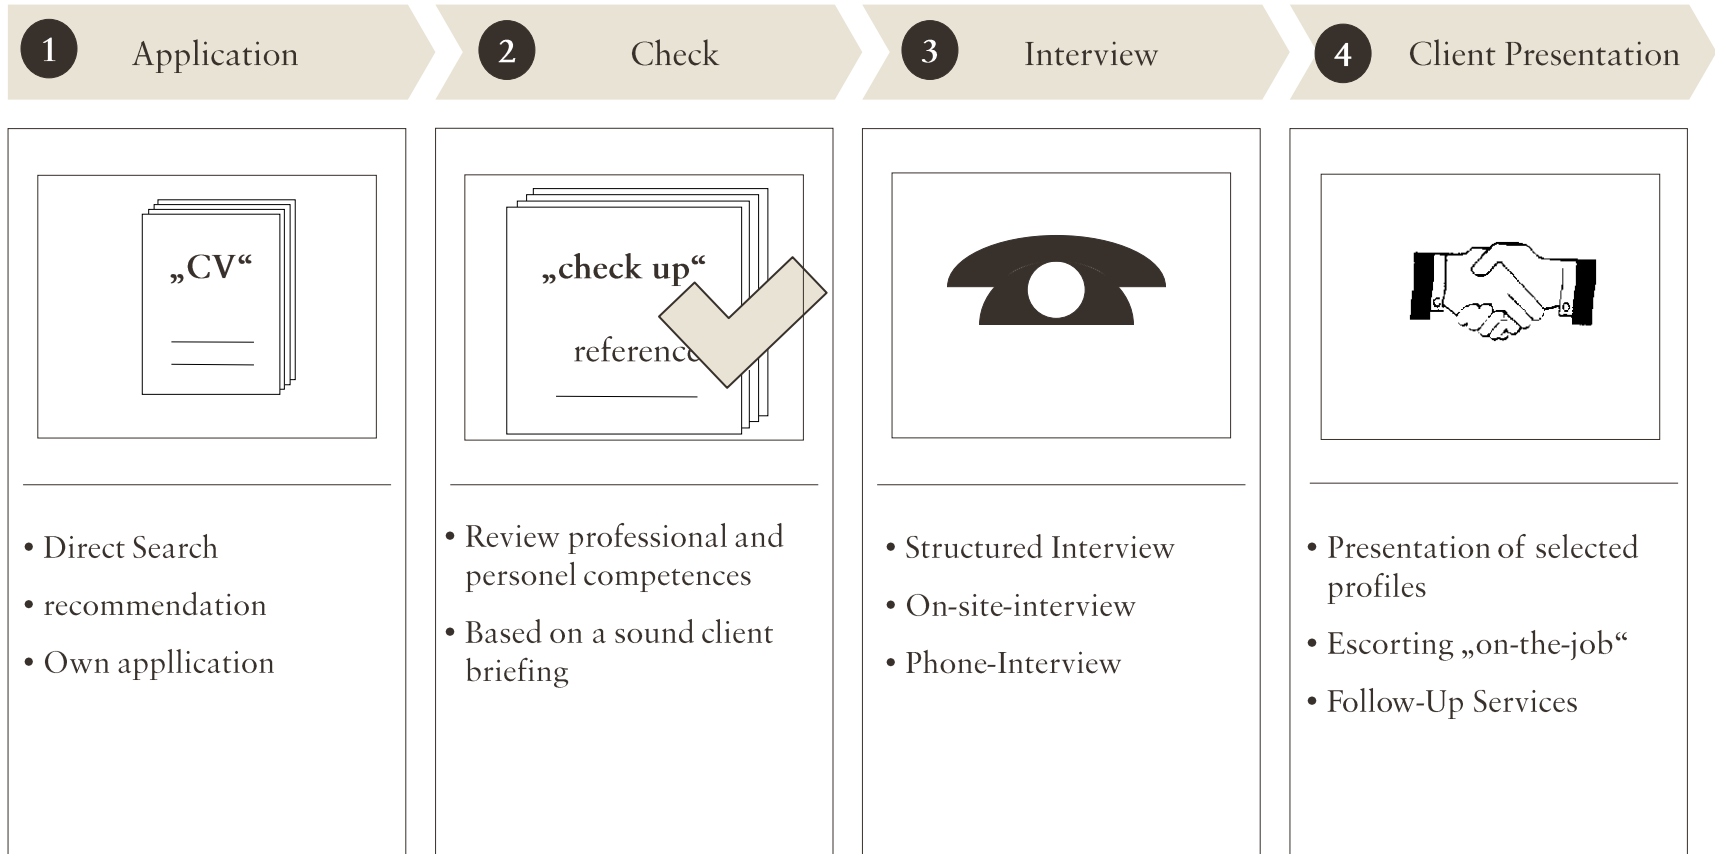

Our Focus. Overall Bank Management Division

Our recruitment process. Structured and focused

Our Mission Statement. Experts are recruiting Experts

Successful recruitment is based on a focused business model – we are focused in recruiting experts in the field of „Overall Bank Management Division“.

- **Bankers for Bankers** – Our employees our experienced bankers and consultants. This industrial expertise ensures understanding for the implementation issues of our clients.
- **Specialist rather than Generalist** – We are industrial specialists. We don't provide a broad range of industrial und functional services. We are focused on one industry and one functional line.
- **Consulting partner** - We support our clients at all steps in the process, from defining the requirements profiles or identifying and approaching promising candidates to selecting the right people with a sound diagnostic basis.

bankingexperts

Your contact partners. Experienced banker and consultants.

Specialist recruitment is people business. Therefore: Get in contact with us. Speak with us about your ideas, your requirements and your objectives.

In all of this, we are committed to intensive and constant dialogues with our clients and candidates as our way of ensuring top quality in every phase of every project.

We appreciate to talk with you.
